

BUDGET PLAN

Our 12 month budget plan is highly recommended to any customer who would like to manage their fuel oil and Comfort Plan payments as efficiently as possible. Your budget payment lets you spread your heating costs into smaller, predictable payments throughout the year. When you enroll in either of our Comfort Plans, the cost can be wrapped into your budget payment. Noonan Energy pays interest on any credit balance at the end of each month when you are enrolled in a budget plan.

1. This agreement is between the customer and Noonan Energy Corp. herein referred to as the Company. This agreement will automatically suspend if the customer ceases to purchase ALL of their oil from Noonan Energy Corp., to pay for repair parts, labor, or other chargeable items when due, or renders or permits anyone other than the Company to perform service to the heating system and associated equipment, unless so instructed beforehand by the Company. There shall be no obligation upon the Company to perform any service or provide parts after termination of this agreement. Upon termination there shall be no refund or credits allowed. This agreement is transferable.

2. This agreement is offered to all customers subject to an inspection and approval of their equipment. If upon inspection, customer's equipment is found to be unacceptable or obsolete, customer's contract coverage will be cancelled and a full refund will be returned to the customer. Repairs required to place equipment in acceptable conditions are excluded and will be charged separately.

3. This agreement will become effective immediately following the inspection and approval of the customer's equipment, as required above, and payment of the Maintenance Plan invoice. This agreement is effective for a twelve (12) month period and will automatically renew. If the customer elects monthly billing for their either Plan and they cancel their account for any reason before the end of the 12 month period, the customer will be billed for the remaining balance and payment in full will be due immediately. Twelve (12) month billing will only be available to customers who enroll in a fuel budget plan. These Plans are in effect for one full year and automatically renewed each year on its anniversary date. Cancellation of this plan by customer requires 30 day written notification. Noonan Energy Corp. reserves the right to modify this agreement as regards to price and/or terms of coverage.

4. This agreement does not cover repair or service of this equipment damaged due to fire, flood, lightning, freeze-up, acts of God, or civil disturbance.

5. The Company shall be liable solely for repairs to the covered equipment. Under no circumstances shall the Company be liable for any consequential or resultant damages or injury (including death) to persons or property, nor for damages resulting from defective equipment; loss or damage resulting from operation or non-operation of said equipment; delays in performing service; making repairs or installations of parts; because of strikes, accidents, explosions, or shortages; or due to other conditions beyond the control of the Company.

6. Part and labor discounts associated with the Comfort Plan, Total Comfort Plan, or Water Heater Preventative Maintenance Plan are only eligible toward the replacement of existing parts and the required labor of the current heating system in place. The respective plan discounts will not be valid toward parts and labor associated with upgrading equipment, converting energy sources, new equipment installations, tankless coils, or humidifiers.

7. This agreement contains in the entire agreement of the parties hereto and there are no promises, terms, conditions, or obligations other than printed herein.

8. Free mandatory tank inspection is required prior to acceptance for oil tank protection. Coverage is limited to leaks caused by internal corrosion. Uninterrupted coverage continues with each annual renewal. If your aboveground oil storage tank needs to be replaced, we will provide up to \$1,700 toward tank replacement costs including: storage tank, labor, parts, and materials for the replacement of the same or similar size tank. All work and materials will be provided by Noonan Energy. Tank replacement costs will not include the removal of any partitions, walls, stairs, etc., or the re-installation of the same tank, or cleanup; this will be the responsibility of the Oil Tank Protection holder. Plan does not cover the cost of any loss of oil from a leaking tank or any damage to structural or personal property, external leaks or tanks damaged by acts of God, explosion, fire, flood, storm, hurricane, earthquake, or other natural causes, or any damage caused by customer negligence or misuse.
